

FEDERATED CHURCH

Dear 2 x 4's participants, 2018,

We will begin our adventure of sharing meals and fellowship in February.

If you are unable to have your meal, please let your guests know that you won't be able to host. They could get together at a restaurant with no host and therefore not be disappointed. I would encourage you to invite an extra guest if you have the room and the inclination so that others will become familiar with the 2x4's concept.

As we all know, you can go out for pizza after church rather than host a formal dinner and it works fine. Ifs the fellowship and getting to know each other that is the strength of this group.

Thanks, Bob Trautwein, (402 910 4341 or rjtraut@yahoo.com)
