

# Federated Church

## Mission Statement:

**We are called to nurture a growing relationship with God by following the example of Jesus Christ.**

Dear Federated Church Congregation,

The Mission Study Committee convened Feb. 11, 2020, to clarify who we are as a church, what our congregation as a whole stands for, and explore our future ministry to begin the process of discerning what God is calling Federated Church to be. A mission study involves a thoughtful, prayerful reflection on how a church can best meet the needs of its members, as well as God's greater community, locally, regionally and nationally.

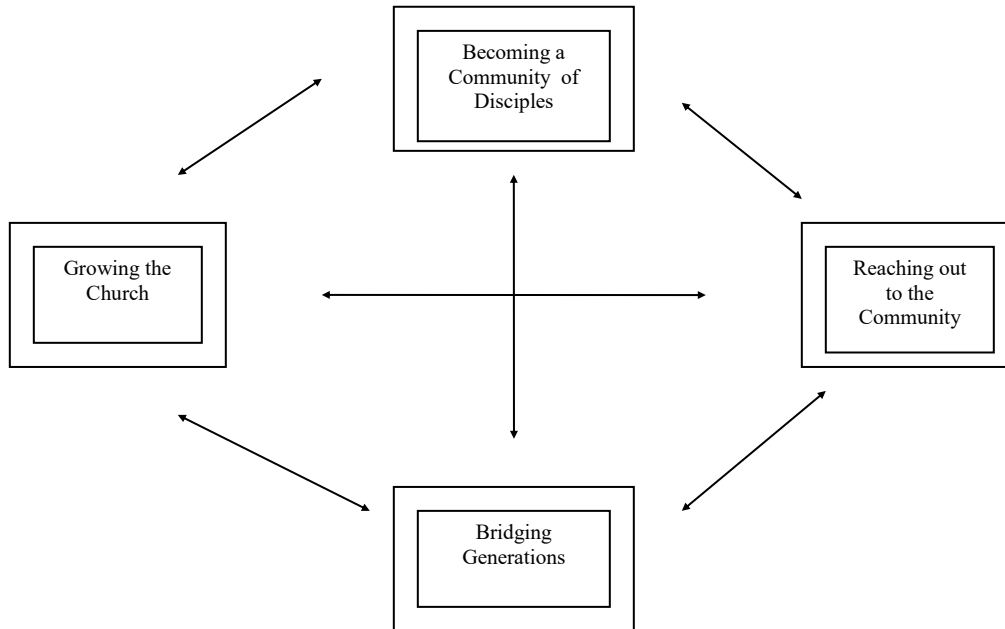

The Mission Study Committee has been reviewing important information previously created at Federated, as well as denominational recommendations for a productive process.

Because this process is fundamentally tied to the wishes and needs of our church membership, we are requesting that you consider the following question, and provide us with your feedback.

**Our current Mission:** We are called to nurture a growing relationship with God by following the example of Jesus Christ.

**Our current Vision:** We strive for a healthy relationship of people to God and people to people. We seek to respond to the Gospel and to the needs around us. With God's grace we can make an effort toward providing for individual, church and community needs, while continuing to support national and world missions.

**Our current church Values include four pillars:**

Please complete the survey and return in the envelope enclosed or go to:

The mission study committee would be grateful to receive responses by **May 29**.

In gratitude,  
Mission Study Committee

The mission study encourages all congregational members of the household to complete an individual survey if desired, or one survey per household to convey your wishes and needs. All responses will be valuable as we move forward with the Mission Study, and respondents do not need to identify themselves unless they wish to do so.
