

FEDERATED CHURCH

MEMBERSHIP AND GROWTH COMMITTEE

Annual Report

Pursuing its purpose of “promoting membership development,” this committee sponsored three “fifth Sunday” potlucks which were well-attended and appreciated. The committee forwarded a request to the Governing Council that it consider two worship services on Sunday. After much discussion, that suggestion was tabled for the foreseeable future. The committee also sponsored a float to promote the church in the city’s annual “Columbus Days” parade. The theme of our float was “The Church in Columbus’ Wild West.” As the calendar year ended, the committee began reviewing the membership list and participation of those members in church services and stewardship to determine who should be dropped from the membership roll and who should be placed on an “inactive list” for future consideration. In the coming year, Membership and Growth Committee members will strive to reach out to those persons and encourage them to become active members of our church family.
