

MEALS ON WHEELS REPORT

2021 presented another year of adjustments to delivery of meals due to COVID regulations. A faithful, "go with the changes" group of volunteers made it possible. Each of the 5 weeks of delivery to 8 separate routes called for an average of 22 volunteers working in pairs or singles. **Double** the thank yous this years for donation of time and vehicles.

In December, a new Director of Food and Nutrition at the hospital was introduced. Also, in December, we were notified that all volunteers must have the COVID vaccination information on record at the hospital, a Medicare/Medicaid regulation. Also, in December, Kathy Leischner volunteered to be a coordinator.

2022 will begin for Federated Church with the February 7 - 11 as our first week of deliveries. Renee Bellum will be calling. Please watch the monthly newsletters and weekly bulletins for future service weeks or other information.

Coordinators: Cec Bartholomew, Renee Bellum, Charlotte Lambert,
Kathy Leischner (starting in 2022), and Jean Royer (finishing 2021)
