From the Pastor's Desk

There is a quote that comes to mind when I think about the easy-yet-hard task of understanding the Scriptures. St. Augustine is considered to have said, "The Bible is shallow enough for a child not to drown, yet deep enough for an elephant to swim." Like a child, we can read the Bible without being overwhelmed. There is a common thread of God's love throughout 'The Book,' albeit difficult to see in some biblical stories.

The Bible can also be the object of immense study. To be more accurate, biblical scholars usually focus on one or few books of the Bible to thoroughly study. Like elephants, they cannot 'get to the bottom' of the Scriptures. There is always more to learn in the Bible. Part of this is that God continues to speak to us through God's Word.

I am thankful for everyone who joined last year's Bible reading challenge with our all-church book read, *The Year of the Bible* by James Davison. Kudos to all who completed the challenge; they are listed below (if we missed anyone, please inform office staff or me). For those who began but did not finish, I encourage you to continue – maybe at a slower pace, like one chapter per day. If there is anything I can do to help you finish, please let me know. If you did not participate in last year's challenge, please read the comments made by those who completed. My hope is that you will be inspired to read the Bible in its entirety.

We don't have to become elephants, but it would be good to explore what is in the Bible.

Grace and peace,
Edward

Bible Reading Thoughts and Sharing

I finished the Bible reading at the end of the year. I got started on January 21 and decided to stay on that schedule I could never have imagined that I would actually read the entire Bible, but with the guidance of Pastor Edward, I was able to do the "impossible". Thank you Pastor for bringing this program to us and providing your leadership,.

~Wayne McCormick

I found Davidson's monthly schedule helpful in completing the goal of reading of the Bible in one year. It was a challenge for me to stop reading in the middle of a story, so each month I read through the Old Testament sections followed by the Psalms, then New Testament selections. Pastor Edward introduced us to bibleproject.com. This website provided illustrated overviews for each book of the Bible. They helped me to anchor the time and place for the book I was reading and enhanced my understanding of the role that people played in bringing about God's purpose.

Many messages of the Spirit came through my reading of the Word and often a passage would come to mind that met my needs in that moment. With God's help, I'll keep reading and learning of His purpose in my life.

~Barb Sanderson

Reading the entire Bible was something that I never thought I would be able to do, even though I had always wanted to learn more. I appreciate having had the opportunity to accomplish this because of the encouragement of the church. I've now started to read the Bible for the second time.

~Marilyn Abrego

I began reading the Bible February 1, 2021 using the New Revised Bible. I had not read the entire Bible before so it was a learning experience for me particularly reading all the violence in the Old Testament. Often toward the end of the month I was behind a few days and caught up. I appreciated that the recommended reading included the New Testament and usually psalms. I am glad we were encouraged to do this project as without the church offering us the opportunity and support I doubt I would have chosen to do it.

~Sharon Kuncel

Ben and I read the Bible through together using the Daily Walk Bible, NIV version. We managed to stay on schedule starting on January 1st and usually read it aloud, taking turns reading, during breakfast each morning. Even though we'd both read the Bible through before we were surprised at how much we didn't remember from characters and events in the Old Testament. It was an uplifting and enlightening experience for us.

Global Passion Ministries- Nebraska, Puerto Cabeza Nicaragua. January 20-30, 2022

Thank you all for your support and prayers as the 2022 medical mission team traveled to Puerto Cabeza Nicaragua. This was my first medical mission with Global Passion Ministries. We had a team of 10 from the States that met up with the medical team from Nicaragua. The medical team in just 5 days completed 74 minor surgeries and 23 major surgeries. It was an awesome experience to be working with a great team of volunteers and medical professionals in Nicaragua. While there, the volunteers were able to provide comfort, support and prayer to the families and children receiving surgical procedures. We helped unpack and organize surgical/ medical equipment in preparation for the week's activities. We cleaned, set-up and decorated the area to be used as a recovery room. We lead morning worship and ran errands. Some helped in the operating room with organizing and scrubbing surgical equipment or assisting the doctors and nurses.

We also had opportunities to serve in the community. We spent time at the Feeding Station- a volunteer run food service program providing worship and lunch to the local Miskitu community school and orphanage children. We were also able to paint a remodeled suite in the orphanage and repair playground equipment. The 2019 hurricanes that went through Nicaragua destroyed the building at the hospital known as the Hilton. This was a building that provided families from outside of Port a place to stay while they waited for the day of surgery. The Hilton had been rebuilt- with upgrades- but still there was work to do. Porch railings, shutters, hooks, and bedframes were built by mission volunteers. Children received new dresses and shorts sewn and donated by people here at home in Nebraska. Bubbles, crayons, sidewalk chalk, sticker Bible stories and fingernail polish were all part of the children's ministry team. The puppets, which always seem to end up in my luggage, helped the children and families smile, laugh and sing together as they waited for surgery. Providing life changing surgeries to people who are marginalized is miraculous in today's world. I am honored to be a small part of something that is bigger than myself and lead by God's hands. It is for His Glory that we work together, pray together, serve together, and make friends with those who are different from us- to make a difference in someone's life for the better.

Rescue Mission Meal

The confirmation class made a meal for the Columbus Rescue Mission in February.

While delivering the meal, students received a tour of the existing facility and learned about the purchase and renovation of a new facility. Thank you to the students and their mentors who participated in the making of this meal.

Mount Crescent

The annual youth group ski/snowboard trip continues to be a favorite event for our youth. This year 18 made the trip to Mount Crescent in Iowa to tackle the slopes. The snow was icy, but that didn't deter our new skiers. Their perseverance paid off as they made trip after trip down the hill! We finished off the day with a trip to Dairy Queen for Blizzards.

Souper Bowl of Caring

Thank you to the congregation of Federated Church for your support of the Souper Bowl of Caring! With your help, the youth collected 209 lbs of food and \$1,106 for the Platte County Food Pantry.

PCUSA Youth Triennium

Through the Homestead Presbytery, we have received notice that the Triennium, in-person event, has been cancelled. We are currently researching other mission trip and camp options and will be in contact with students and parents soon.

The Lord is alive and well in Panama! We continue to seek new ways to creatively work in, through, and around the pandemic. We crave your prayers for patience, imagination, and the ability to continue to adapt and live in the moment. We are keeping all of you, our Presbytery, in prayer as well.
- ♦ Homestead Presbytery: **Pawnee City**
The Pawnee City Presbyterian Church lost 5 of its oldest members this last year with

the oldest being 99 and still living at home. None were from COVID. We ask for you to pray with us in trying to get the younger generation to attend church services to help make our church like what it used to be. Pews full. Babies crying. Sunday School for both kids and adults.

- ♦ Homestead Presbytery: **Pender**

The United Church of Pender thanks you for your prayers. We as a church, as everyone has, been challenged by the pandemic and its ongoing health concerns, financial concerns, and burdens on our members and community. We have weathered the storm pretty well with a strong ministry with the Covenant Church, the community food bank, located in our church, remains a strong resource for our local community, and soon we will be confirming five students as they continue on their church journey. Our glass is always half full and we care about each other and praise the Lord that we have been able to worship and grow together.

- ♦ Homestead Presbytery: **Call to Prayer for a peaceful solution between Ukraine and Russia:**

As tensions continue to rise, as soldiers on both sides of the conflict prepare, as mothers and fathers pray, let us pray for peace. Let us pray for the governments of Russia, Ukraine, Belarus, the United States and the European Union to seek all avenues for a peaceful resolution to the current tensions. And may we soften our own hearts and words in our own communities to de-escalate the tensions that consume our world. Lord, be with us, we pray. Teach us to be your peacemakers. Amen.

Here are a couple of simple ideas to include those who find walking a challenge:

- Give a mile credit for every 20 minutes of physical activity a person performs. This can include performing therapy motions, or maybe armchair aerobics for those who have knee or hip problems or are wheelchair-bound.

- Offer credit for those who do personal work to keep themselves mobile and in better shape. This doesn't need to be a workout, but could include practicing proper physical mechanics to get up from a chair or from the bed, or using simple activities at home to increase or maintain a good range of motion. You can individualize this to help people earn their "miles."

- Have people practice spiritual disciplines, such as:

- Prayer – Participants could earn a mile for every 15-20 minutes of time they spend in prayer. Prayer is a privilege and it is powerful. Some of this time could be spent in thanking God for sending Jesus to take His own difficult walk to Jerusalem to fulfill His calling to save sinners.
- Writing a letter to missionaries – This is a wonderful way to encourage our missionaries! It's also a great way to encourage parishioners to bless the missionaries you support, assuring them they are remembered as they serve. You can determine the "miles" credited — maybe a mile per page written, or a mile for every 15-20 minutes writing.
- Other spiritual disciplines, such as intentional fellowship encouraging other Christians, time spent reading the Bible, and volunteering, could also be encouraged to earn "miles."

The bottom line is this: we want to include everyone who would like to participate. This is not only for physical exercise, but also for spiritual exercise. Reflecting on what God has done for us is a practice every person should engage in, and this is a small way to do that.

Did you know walking is mentioned over 200 times in the bible?

Decoding the Liturgical Color Scheme

Within the life of the church, color has long been used to give a visual indicator of what is happening in the life of the church. Whether it is a marking of the rhythm and movement of the liturgical season, or the noting of a special celebration within the life of the church. The colors that we use in worship, whether it is in the cloths covering the tables or the stoles that the Pastor and the choir wears, have deep meaning.

PURPLE = PREPARATION: Purple is the color that is used during our seasons of preparation: Advent and Lent. During both of the seasons (the four Sundays before Christmas and the 40 days before Easter, respectively), we are to dedicate ourselves for the preparation of our hearts and minds for welcoming Christ.

Purple is also the traditional color of royalty, and so some give nod to this as a reason why we use purple during these seasons.
