Our committee met once a month, usually on the second Monday evening of the month. We began with straightening up the pews at 6:45 followed by the regular meeting at 7 PM.

Our goal is to enhance the membership and encourage growth where possible.

Several accomplishments for the year included:

- Updating the rolls by placing nonactive members on the reserve list or removing them from the roll.
- We continued the 5th Sunday potluck events and 2x4's
- Brenda Sand organized the new directory.
- We started several Small Groups including 3 Different Sunday Lunch Bunch groups, The Holy Walkamolies, a WiFi Internet Learning group, a Bookworms reading group and Dinner and a movie group.
- We had our Diaper changing station at Columbus Days and handed out treats.
- We recognized our 50 year members.
- We had Trunk or Treat, and handed out candy to over 150 kids.

Respectfully submitted,

Nila Novotny, MD
