

NOMINATING COMMITTEE 2019 REPORT

Our committee met 3 times this year. The first time was early in the year to find 3 replacements for committee vacancies. We met approximately one hour and accomplished this task. We met twice more about 1.25 hours each time to fill the annual committee vacancies. I saw it as a positive sign that all committees were filled in this amount of time. Thanks to everyone who stepped into leadership roles in our church.
