

YOUTH MINISTRY COMMITTEE REPORT

The Youth Programs had an interesting year due to the restrictions caused by the spread of Covid.

The traditional Book Sale, the Super Bowl of Caring in which \$266 and 246 pounds of food was donated to the food pantry, and the ski trip to Mt. Crescent were all able to be carried out at the start of the year. Following these activities, we were faced with the need for many cancellations and re-schedulings of planned events.

Cancelled activities included the Pizza Sale, Bake Sale, Mother's Day Flower Sale, the mission trip, a summer get-together, a road trip for a church visitation, and the Fall Kick-off Barbeque.

Confirmation Sunday and Graduation Sunday events had to be pared down and moved to the Fall.

The committee thanks Brenda and Pastor Edward for all their efforts in juggling the scheduling and activities in the attempt to keep our youth involved in the life of the church.

A thank you also goes out to committee members Nicole Miller, Antonio Garcia, Heidi Klevemann, Lisa Perrin, and Cola Hahn for their hard work and dedication to the work of the committee.

Respectfully Submitted,
Doug Williams, Chair
